

Parking Lot Picnic September 20, 2020 - A Church Picnic in the time of Covid? Let's give it a try! If we park our cars in every other space (social distancing for cars)... If we park so our tailgates are facing each other... If we bring our own chairs so we can sit outside of our own cars (or blanket to picnic on the grass)... If we bring picnic foods for our own family... If our Men's Club will grill burgers & wieners and provide "no contact" delivery or pick-up for your family's grilled choices... If we obey social distancing, wearing masks, and other Covid/government recommendations we'll be able to chat with one another and if we do all of this we stand a chance of having a great Church Picnic in the time of Covid!

Back to School Movie for First Friday on August 28!

Join us at dusk (about 7:30pm) in the back parking lot on August 28th to watch a fun family movie based on a classic children's book about days when everything just goes wrong. Bring your own snacks and you can watch from your car or bring chairs to sit in. Invite your friends to come along.

Blueberry Picking First Friday on September 4

We are hoping weather and blueberries permitting to have a blueberry picking themed First Friday on September 4 bring your own basket and come prepared to pay for what you pick and let's enjoy some fun fellowship together

VOLUNTEERS NEEDED! With the recent purchase of microphones, cords, cables, and an Amplifier, etc., along with the FM transmitter purchased a little earlier, Trinity now has all the equipment needed to allow us to conduct Drive In Church for as long as we need to do so. This equipment will also give us a lot of flexibility to undertake various events in the future. This is the good news; the other news is that YOU now have the opportunity to learn how to use this equipment. I have agreed to be responsible for setting up the equipment and working as the "soundperson" on Sunday mornings, but we need more people with the ability to do this as I will not be available every Sunday. Additionally, the more people that know how to set up and use it, the more it will get used for other events, making our purchase more cost effective.

The system is not complicated, but neither is it completely intuitive. What I mean by that is simply that a little training and a little practice is needed for someone to be able to step in as the Soundperson.

I will conduct all the training in small groups (with masks), and we can do it Sunday morning, or at another convenient time. If you are willing to get trained and serve when there is a need, please call me (Fred Hunt 881-448-0161) or call the church office.

Adult and Teen Movie Night - Starting in September we will be showing Faith Based movies as our adult and teen educational experience. It will be drive-in movie style on a big screen in the parking lot. You can also bring lawn chairs and place them in front of your cars or possibly on the lawn to view the movie. Everyone should bring their own popcorn, candy, and drinks.

If you are unable to attend the movie, you can view it on Netflix or Amazon Prime or there will be two copies at the church you can take out to view. Whether you see the movie at church or on your own, we would love to have you attend the discussion. The more we have the more meaningful the discussion.

First Showing: Sept 13 @ 7:30 pm I Still Believe (the Jeremy Camp Story). This is a true life story of Jeremy Camp, a famous Christian music star, and how his life's journey takes him through love and heart breaking loss and shows us that hope is always present and faith can grow.

On the following Wednesday night there will be a discussion about the movie for adults and teens in the church parking lot at 6:00pm. Feel free to bring your own comfy chair.

Announcements need to be either emailed to trinitypress@frontiernet.net by Tuesday morning at 10 am or written on one of the forms found on the bulletin board and deposited in the office.

Newsletter articles need to be submitted to the church office by **August 20th**. They need to be emailed to trinitypress@frontiernet.net along with any images.
